

BACARDI ANNOUNCES A NEW ERA FOR MARTINI®

New contemporary bottle, new marketing campaign and new signature drink
for iconic Italian vermouth brand

HAMILTON, BERMUDA, February 25, 2025 – Family-owned spirits company, Bacardi is meeting consumer demand for lighter, more premium drinks and evolving drinking occasions by building on the premium credentials of MARTINI, one of the most iconic brands in its portfolio and in the world of drinks.

“With the rise of daytime drinking occasions, aperitivo has evolved into a more modern and stylish experience” says Emma Fox, VP, MARTINI & ST-GERMAIN®. “Our MARTINI vermouth range, with its bold bittersweet flavors and lighter tasting serves, is perfect to capitalize on this global trend. With our new MARTINI, we’re inviting a new generation of drinkers to experience a true Italian icon.”

MARTINI, which remains the same great-tasting, Italian vermouth, crafted with over 160 years of history and expertise, is now presented in a stylish and distinctive bottle to reflect the quality of the liquid inside. The MARTINI portfolio includes vermouth for every style of drink and occasion including MARTINI Bianco, Rosso, Fiero, Rosato, and Extra Dry, as well as the MARTINI Non-Alcoholic Aperitivo range of Vibrante and Floreale.

“The modern aperitivo occasion is booming,” says Mahesh Madhavan, CEO of Bacardi Limited, “only tequila has been growing faster.” The aperitivo occasion is worth close to US\$11Bn* and is expected to continue growing by 6 percent annually (IWSR CAGR 24-28). “With our investment in MARTINI, we are celebrating the best of the brand’s 160+ year heritage and its undeniable influence on today’s bar culture. MARTINI is made for the modern aperitivo.”

This summer, Bacardi will reveal:

NEW CONTEMPORARY BOTTLE

The distinctive, stylish design – inspired by the arched walkways of Turin, Italy – gives MARTINI even greater standout on shelf and at the same time reduces the brand's impact on the environment. The 1L MARTINI bottle is now 30 grams lighter (equivalent to 5 percent of the weight), which has reduced annual greenhouse gas emissions at the MARTINI production site in Northern Italy. The slimmer bottle shape also means each pallet can carry an extra 48 x 75cl bottles (an 8 percent increase) making transportation more efficient too. The new MARTINI bottles will appear in stores and bars around the world from next month.

360 MARKETING CAMPAIGN

The 'MARTINI Dare To Be' campaign reflects the evolution of the aperitivo occasion from a pre-event experience to the main event itself. The campaign's vibrant and colorful visuals, invite consumers to step out of the 'everyday you' and step into 'your most playful and stylish self'. Bacardi will be activating the 'MARTINI Dare to Be' campaign across advertising, PR and social media through 2025, reaching a new generation of modern aperitivo drinkers.

NEW SIGNATURE DRINK

This summer, Bacardi will introduce the MARTINI Bianco Spritz to the world. Easy to make in three simple steps – pour 50ml MARTINI Bianco vermouth, add 75ml MARTINI Prosecco, top with 25ml soda water, serve over ice and garnish with fresh mint, and slices of lemon and strawberry – to create a crisp, bright spritz with subtle notes of vanilla.

The MARTINI Bianco Spritz leads the range of MARTINI spritzes - with Fiero and non-alcoholic expressions Vibrante and Floreale - crafted for the aperitivo occasion. MARTINI remains an essential ingredient in classic cocktails including the Americano, the Negroni and the Dry Martini cocktail, served at bars, terrazzas, restaurants and homes throughout the world.

Bacardi will launch a new consumer experience, Terrazza MARTINI, that will tour major European cities throughout the summer. The Terrazza MARTINI will create a style and entertainment hotspot where consumers can experience the brand's signature drinks and more.
